

LEARN PROPORTION + GEOMETRY

BYZANTINE DRAWING I

✦ 2 OPTIONS: ONLINE & IN-PERSON ✦

Byzantine Drawing will teach you essential iconographic drawing skills focusing on proportion, geometry, Byzantine design principles and technique. This course begins with instruction in iconographic facial features to design a frontal face template that you will learn how to modify to become the Face of Christ, St. John the Baptist, St. George, Our Holy Mother and Christ Emmanuel.

This program teaches essential drawing skills for scaling and adapting icons to provide a solid foundation for icon painting.
