

DIVINE LIGHT

SACRED ART PILGRIMAGE TO CYPRUS & CAPPADOCIA

SEPTEMBER 26 - OCTOBER 9, 2026

Fully Guided & Planned

EXPLORE THE ROOTS OF THE CHRISTIAN FAITH THROUGH SACRED ART, HISTORY & BEAUTY

Take the road less traveled to experience sites where the Gospel was first painted and early monastics forged the foundation of Christianity. From ancient basilicas in Cyprus to carved cave churches in Cappadocia, every stop invites us to encounter faith in the earliest, divine light.

COME lifelong learners, anyone passionate about sacred art, history, architecture, culture. Together, we'll stand before Byzantine frescoes and icons, walk through UNESCO World Heritage sites, explore monasteries filled with centuries of prayer, savoring food, friendship, wine, and hospitality of local villages. Your new friends can't wait to meet you.

Catholic clergy, Fr. Alexandro Rubio, MSpS will accompany the tour; Fr. Ilya Gotlinsky, Russian Orthodox Priest will lead us.
